HOW IT WORKS

1. Pay just one entry fee per person at registration table. (\$2 nonmembers / \$1 members)
2. Enter as many events as you like! Price is per person, NOT per event! Fill out a label (name & age) for each event you plan to run. *There is no need to write the event on the label, just your name and age!*
3. Pin the labels to your shirt/shorts.
4. Get to the starting line and RUN!
5. At the finish line a volunteer will take your label for the race results sheet. That's it!
